Capt. R.C. Smith,

I reported parking violations of M - F 4am to 6:30am Street Sweeping to Parking Enforcement of the 6 vehicles pictured below at 4:05am this morning. They are parked on the east side of McCadden Pl. from 1040 to 1000. These vehicles have been violating parking ordinances in the neighborhood for months.

What is the procedure for repeated parking violations that would lead to the vehicles in question being towed?

Thanks!

Ron

Captain Smith and Ofc. Jordan,  
I was up at 6:30am this morning and noticed a few RVs and vehicles with  
parking tickets on them on Romaine.  
No sure if it was for the Within 500 ft. of a school or 2 hr. Parking only  
between 10pm and 6am restrictions, but thank you for your attention to this  
matter.  
The motorhomes will undoubtedly return but your diligence has prevented  
an encampment issue that was starting to blossom.  
Please keep up the good work.

Thanks!

Ron

Captain Smith,  
I am business owner in Hollywood and a Board member of the  
Hollywood Media District. We have a severe parking problem in our  
District which affects many of our businesses.  
I recently attended a Safety meeting of ours in which Ofc. Eddie Guerra  
encouraged me to contact you about a persistent parking problem with  
several motorhomes that are *a/ways* parked in our vicinity.  
I should mention that I personally reported several violations in the  
past, both to Parking Enforcement Dispatch and to Sgt. Bailey-Grey.

The 5 or 6 motorhomes in question are parked between 6500 and [6800 Romaine St](#), between Highland Ave and Seward St.

They are in violation of several ordinances:

1. Within 500 ft. of a school (Bancroft Middle school) (3 RVs)
2. 2 hr. parking between 10pm and 6am (all of Romaine) (All 5 RVs)
3. Wastewater dispensed into buckets or containers (2 RVs)

The RVs in question as of today 10-19-17 at 5pm

1. Airbus CA 2XQK764 Tan with Burgundy stripes
2. Itasca Windcruiser CA 2CFW944 White with grey stripe
3. Southwind IN R488EK Tan with brown stripe
4. Winnebago CA 3ESP995 White with blue stripe
5. Dodge Itasca CA 2KYT634 Tan with brown and burgundy stripes

As I said, these vehicles are always in our vicinity and have been for several months,

We realize that your resources are thin during the early morning hours in particular but this has been a persistent problem for our businesses and the nearby school for more than a year.

Please have one of your officers come out to issue parking tickets to help us out - this is encouraging a homeless and health problem in our neighborhood.

Thank you,

Ron
